

1st December 2025

Dear Parents and Carers

Montsaye Academy joins United Learning

We are writing to let you know that as of 1st December, the formal transfer of Montsaye Academy to United Learning has been completed, and we are very pleased to officially welcome the school to our Group.

We are grateful to all of the colleagues across the school we have worked with over the past couple of years, and thank them for the commitment they have shown to their students and the school throughout this transfer process.

Under the leadership of Ben Baines and his senior leadership team, we are confident that Montsaye will continue to build on the progress already underway, and provide an excellent education for all students.

Students will be able to access broader experiences as part of our Northamptonshire cluster, and staff will benefit from resources and expertise from across our group of schools, including the support of our Regional Director, Chris Clyne. At the same time, we recognise there is much that Montsaye has to offer the Group and our other schools.

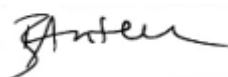

We look forward to working in partnership with you over the coming months and years and thank you for your ongoing support of the school.

We hope that your child has a successful and enjoyable end to this autumn term.

Yours sincerely

Sir Jon Coles
Chief Executive

Ben Antell
Director of Secondary Academies
