

12 March 2026

Dear Parent/Carer,

We are writing to you as we prepare our year 9 students for their year 10 subject preferences. On Wednesday 25<sup>th</sup> March we will be hosting an evening for parents and guardians to find out more about the process. There will also be the opportunity to speak to subject teachers about the demands of each of the subjects and what to expect in the coming years.

The evening will be held in the main hall and will include a presentation explaining how to complete the options form and the timeline of events until students receive their confirmation of choices. To manage numbers within the main hall we would ask that you book into one of the presentations using the information below.
