

27 June 2025

Dear parent/carers,

I would like to take this opportunity to thank you for the continued support you have shown throughout this academic year and to inform you of some upcoming changes to our tutor group arrangements, which will take effect from September 2025.

As part of the natural progression within our school community, a few members of our teaching staff will be taking on new opportunities in the coming academic year. Some will be moving on to positions at other schools, while others have received well-deserved promotions within our own school. We are incredibly proud of their achievements and grateful for the dedication and care they have shown to our students during their time at Montsaye Academy.

These staffing changes mean that we must adjust some of our existing tutor group allocations. While we understand that any change can feel significant - especially for students who have developed strong relationships with their current tutors - please rest assured that the changes have been made with the best interests of all students in mind.

Our priority remains to provide every student with consistent support, pastoral care, and a positive environment in which they can continue to thrive. The incoming tutors are experienced, committed professionals who are enthusiastic about building strong relationships with their new tutor groups.

The new pastoral structure for current Year 8 students for the academic year 2025/2026 can be found below:
